

¶118.27 PROVIDING FOR THE  
CONSIDERATION OF H.R. 927

Mr. DIAZ-BALART, by direction of the Committee on Rules, called up the following resolution (H. Res. 225):

*Resolved*, That at any time after the adoption of this resolution, the Speaker may, pursuant to clause 1(b) of rule XXIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 927) to seek international sanctions against the Castro government in Cuba, to plan for support of a transition government leading to a democratically elected government in Cuba, and for other purposes. The first reading of the bill shall be dispensed with. Points of order against consideration of the bill for failure to comply with clause 2(l)(2)(B) of rule XI are waived. General debate shall be confined to the bill and shall not exceed two and one half hours equally divided and controlled by the chairman and ranking minority member of the Committee on International Relations. After general debate the bill shall be considered for amendment under the five-minute rule. In lieu of the amendment recommended by the Committee on International Relations now printed in the bill, it shall be in order to consider as an original bill for the purpose of amendment under the five-minute rule an amendment in the nature of a substitute consisting of the text of H.R. 2347. That amendment in the nature of a substitute shall be considered as read. Points of order against that amendment in the nature of a substitute for failure to comply with clause 7 of rule XVI are waived. Before consideration of any other amendment it shall be in order to consider a further amendment in the nature of a substitute by Representative Hamilton of Indiana or his designee. Such a further amendment in the nature of a substitute shall be considered as read, shall be debatable for one hour equally divided and controlled by the proponent and an opponent, and shall not be subject to amendment. If such a further amendment in the nature of a substitute is rejected or not offered, then no further amendment shall be in order except those printed in the report of the Committee on Rules accompanying this resolution. Each further amendment may be considered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for twenty minutes equally divided and controlled by the proponent and an opponent, shall not be subject to amendment except as specified in the report, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The Chairman of the Committee of the Whole may postpone until a time during further consideration in the Committee of the Whole a request for a recorded vote on any amendment. The Chairman of the Committee of the Whole may reduce to not less than five minutes the time for voting by electronic device on any postponed question that immediately follows another vote by electronic device without intervening business, provided that the time for voting by electronic device on the first in any series of questions shall be not less than fifteen minutes. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. Any Member may demand a separate vote in the House on any amendment adopted in the Committee of the Whole to the bill or to the amendment in the nature of a substitute made in order as original text. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without inter-

vening motion except one motion to recommend with or without instructions.

When said resolution was considered.

After debate,

By unanimous consent, the previous question was ordered on the resolution to its adoption or rejection.

The question being put, viva voce,
